Alan Ng

CA Singapore, FCCA, M.Sc. in Finance

Holds two Master degrees in two different fields – M.Sc. in Finance from National University of Ireland and M.A. in Chinese Language and Literature from Beijing Normal University.

Alan has ten years of accounting and finance work experience spanning across different industries from trading, banking, to computers and diesel engines firms. After a few years into management, Alan discovered his passionate for teaching. Teaching reaches out to more people, helping them prepare for their future. At the same time, the trainer gets to upkeep the technical knowledge. Alan decided to be full time trainer in 1999.

Alan has been teaching Accounting and Finance subjects at the certificate, diploma, higher education and professional levels for more than twenty years. With his dedicated teaching and commitment, Alan Ng received good comments from students.

Alan believes that Learning is an opportunity and Teaching is a rewarding career. Every learner can flourish if appropriately challenged and supported.
